

Context of the Project and Descriptive

Project Name: Member Contribution & Loan Manager

Project Type: Web App (PHP + MySQL + Tailwind CSS + DaisyUI)

Target User: Administrator managing a fixed group of members contributing monthly to a shared fund.

Core Features

✓ Fixed Member Base

- Members are predefined and fixed (no user registration or deletion needed).
- Admin selects members from a list to view or manage data.

✓ Monthly Contributions

- Every member must contribute **5,000 RWF** monthly.
- Contributions are due by the **15th of each month**.
- If payment is **not made by the 15th of the following month**, a **1,000 RWF late fee** is applied.
- System auto-detects late contributions and charges penalties accordingly.

✓ Loan Management

- Members must have contributed at least **30,000 RWF** to be eligible for a loan.
- Loan limits can be tied to total contribution value.
- If a loan is not repaid on time, a **30,000 RWF penalty** is applied.
- Tracks loan date, amount, due date, and status.
- Loans are tracked **monthly**, with a full record of:
 - Member
 - Loan date
 - Amount
 - Due date
 - Repayment status
 - Penalties (if any)
- Admin can view **loan history per member** and **filter loans by month**.

✓ Penalty & Fee Automation

- System automatically calculates and applies late contribution penalties.
- System automatically applies loan penalties.
- Admin can view penalty breakdown per member.

✔ **OTP-Protected Admin Actions**

- Admin login secured with OTP .
 - OTP also required for sensitive operations like deleting or modifying records.
-

▣ **Tech Stack**

- **Frontend:**
 - HTML
 - Tailwind CSS
 - DaisyUI (for modern UI components)
 - Alpine.js (optional, for light interactivity)
 - **Backend:**
 - PHP (Laravel or vanilla PHP)
 - MySQL (data storage)
 - **Security & Auth:**
 - OTP Support with nodemailer
 - Role-based access (Admin only)
-

▣ **Screen Map & UI Flow**

▣ **Login Page**

- PHP Logic OTP Login
- Redirect user to dashboard after a successful login

▣ **Dashboard Page**

- Summary Cards:
 - Total Contributions This Month
 - Active Loans
 - Late Payments
 - Penalties Collected
- Charts:
 - Contributions Over Time
 - Loan History Trends

- Search Bar (Quick search for member contribution or loan status)
- Quick Actions:
 - **Record Payment:** Opens payment entry form
 - **Add Loan:** Opens loan entry form
 - **View Reports:** Navigates to reports with export filters
- **Breadcrumbs Navigation:** Shows current location (e.g., Home > Add Loan), making it easier to understand the user's flow and return to previous sections

▣ Members Page

- Table of all members (predefined)
- Columns:
 - Name
 - Total Paid
 - Status (Paid/Unpaid)
 - Eligibility for Loan
- Filters and Search Bar
- Breadcrumbs for easier navigation

▣ Record Payment Page

- Select member
- Select month
- Mark payment as paid
- Auto-apply penalty if paid late
- Breadcrumbs for current location

▣ Add Loan Page

- Select eligible member
- Input loan amount
- Issue date and repayment due date
- Auto-check contribution total
- Breadcrumbs for current location

▣ Reports Page

- Filters:
 - Member
 - Month
 - Status (Paid/Unpaid, Loans, Penalties)
- Export as PDF/CSV
- Breadcrumbs for current location

Penalties Page

- List of members with penalties
- Filter by penalty type and month
- Mark as resolved/waived
- Breadcrumbs for current location

Settings Page

- Configure contribution deadline
 - Set penalty amounts
 - Manage Firebase OTP settings
 - Toggle dark/light mode
 - Breadcrumbs for current location
-
